Our Brands

Absto is the exclusive supplier of Altezza - a leading adhesive tape brand in South Africa.

Altezza prides itself on consistency and reliability in its range of products, ensuring that anything that carries the brand's name and logo guarantees a high standard of quality.

Scrim Facing Insulation manufactures and produces specialised thermal insulation products.

Catering, in particular, to the construction industry, Scrim Facing Insulation's aluminium-based product serves as a double-sided, reflective, radiant barrier in domestic and industrial roof systems.

Seal King is the market leader in security labels, tamper proof sealing tape and specialised double-sided tapes.

The brand specialises in products servicing a wide variety of sectors, including the banking, medical, military, aviation, and logistics industries.

Partnerships

More than **tape**

The relationships we build with our clients are at the core of what we do. That's why you can always **trust us** to detail and customize just **the right product for you** according to all your specifications.
